

IPTV Middleware Android™ ManageMyTVs Application User Guide

Version 2.0

The information presented in this document is written for the default settings of the system. The *IPTV Middleware Android™ MyTV Application User Guide* may be reformatted to fit your company needs. All screen captures used in this guide are available as individual .png images.

This guide is a working document. The information and screen captures represented in this document may change frequently and without notice.

ManageMyTVs Application

1. To use the ManageMyTVs application, select the MyTVs icon from the screen. The ManageMyTVs Sign-In screen will appear.
2. Enter "portal.hky.com" in the URL field.
3. Enter your username in the Username field (This is the same as you use for the web portal. User name is your 10 digit phone number. Password defaults to 0000)
4. Enter your password in the Password field.
5. Select the *Sign In* button.

Select an Action Screen

The following sections provide details for searching for a specific program, accessing the program guide, showing existing recordings or scheduled recordings and using your Android™ as a working remote control with your set top box:

- **Program Search**
This action allows the user to search by keyword or phrase for a specific program. Search results may be selected to view program information and schedule future recordings.
- **Program Guide**
The Program Guide allows the user to view up to twelve days of guide information, which is chosen by the date and channel number. Programs may be selected within from the guide to view program information and schedule future recordings.
- **Show Recordings**
All existing and scheduled recordings may be viewed within the Show Recordings action. Users may select a DVR from within their home and view either Current, Future and Series recordings.
- **Remote Control**
This action allows you to use your Android™ as a functional remote control. You may use the Up and Down arrow buttons, the Right and Left arrow buttons, OK button, Menu button, Guide button, Info button, and Exit button. The user may also enter a specific channel number to tune to.
